# Directors Message

From April Kahnberg

Rain Rain... we know we need it .... But it sure puts a damper on getting the old classics on the roads early in the year.

We rescheduled our lunch run to Cloverdale to June when the weather will be more agreeable. However, as luck would have it... it was sunny for the early part of Sunday Feb 18<sup>th</sup> and Richard and I and my daughter and Jason took advantage of a early day outing. We managed to take in the Woodcrafter – miniature display at the Healdsburg museum. It's a must see you should venture up there – on display till April 21th.

We didn't drive all the way to Cloverdale, because we would be guessing that many back roads might be flooded due to the recent storms; instead we got a private tour of the grounds at Jordan Winery. A Great place to take in the many vistas surrounding the winery.

Many acres of lush green hills this time of year. We all know we need this rain.... But hoping it doesn't rain on our next outing scheduled for March 9<sup>th</sup>. Mark your calendars... Evite will be out soon.

# MINUTES OF THE BUICK CLUB OF THE REDWOODS

## FEBRUARY 14th, 2024 MEETING

Director, April Kahnberg, called the meeting to order at 7:05 p.m.

Members present were Keith Brumbley, Bill and Joan Costello, Craig Janakos, Rich and April Kahnberg, Leo and Linda Ladner, Jim Liddle, Gail Sollid, and Andrew Wong.

April welcomed all those present.

The minutes of the January meeting were approved as published in the Nailhead News.

**Treasury/Membership.** Membership is holding at 21. No checks were written during the month but there was a deposit of \$130.00 from dues and the raffle. Rich has filed the annual 990-N tax form that is required for all nonprofit organizations that make less than \$50,000 a year. He found a company named Tax 990 that has filed the form for the club for \$19.90. Rich made a motion to write a check to April to cover the \$19.90. The motion was approved.

**Newsletter Editor.** Leo reported that there is not much new content for the newsletter this time of year but Terry has sent some nice pictures of a car show he attended. April asked when he would like articles turned in for the newsletter. Leo said the 3<sup>rd</sup> or 4<sup>th</sup> week of the month. Articles should be submitted as a Word Document.

### OLD BUSINESS

Jim reviewed the March 9<sup>th</sup> tour to the Packard Museum in Rohnert Park. After the tour members will meet for lunch at Tubby's Restaurant in the same shopping center. An Evite will be sent out with details. Keith said he was at the shopping center and saw the lights on in the museum. The Model A Club was on a private tour.

Activity Calendar changes and updates. A complete listing of activities is published in the BCR monthly newsletter, The Nailhead News.

- Cruise and lunch in Cloverdale is cancelled for February 18th due to weather and rescheduled for Sunday, June 23<sup>rd</sup>.
- Tour and picnic with Model A Club has been moved to April 27<sup>th</sup>.
- The October Poker Run is scheduled for Saturday, October 19<sup>th</sup>.
- Christmas Lunch is reserved for Saturday, December 7<sup>th</sup> – 2:30 to 5:00 p.m.

Leo reported that applications for The Salute to American Graffiti Car Show (Saturday, May 18<sup>th</sup>) are out and encourage anyone wanting to participate to register as soon as possible. The American Graffiti Cruise-In is May 17<sup>th</sup> at the Plaza North Shopping Center from 4:00 to 8:00 p.m. We will all meet for dinner at Don Pancho's Mexican Restaurant.

Rich reported that applications for The Wheels and Wings Car Show will be out in May.

Craig reported that he no longer has a contact company for having baseball hats made with the BCR logo.

Bill reported on the progress of securing a tour of Georgetown in Graton. With the help of Dave B., they have learned that Guy Smith (son of George Smith) will be dealing with tours of the museum but they are not scheduling at this time. Bill will follow up in a few months.

The meeting was adjourned at 7:40 p.m. followed by the 50/50 raffle that was won by Craig.

# Welcome!

## Modeling Healdsburg: Creations of a Master Woodworker

You are in for a treat. Virtually everything you see in the Museum Gallery today is the creation of one individual, longtime Museum contributor and master woodworker Jon Lacaille.

Some of the display areas were originally part of earlier Museum exhibitions. Others, like the high wheel bikes and full-size car in front of you, have never been displayed in public until now. While they have their roots in Healdsburg, they were created as a result of Jon's personal interests and curiosity.

We invite you to take your time, look, admire and absorb the creations of one man's talent.

Thank you for coming!

Terry recently attended a car show in Sun City AZ. He found more than a few interesting Buicks. Some were 'stockers' while others were found to have been greatly modified.
