Directors Message

April Showers bring (Brought) May flowers.

Yes we got our fill of April rain this year; and now I think we are in for a HOT HOT Summer, if this week is any indicator.

I spent 7 days in So California in Oceanside and Redondo Beach area. Great weather and good company. Redondo Beach is pretty centrally located....and it always helps to have a host that is not adverse to driving in the LA traffic.

Had an opportunity to visit the USS Iowa. Our club visited the USS Iowa a few years ago, when it was in Port Richmond for retrofit. As the story goes, it was here because of the close proximity to volunteers and companys with the right talents for the restoration tasks at hand. It was then moved to San Pedro, where they continued the restoration. There is much to do still, but this recent tour gave us a real look at the forward deck and armament on board. Interesting was the vast differences between a BATTLE SHIP and an AIRCRAFT Carrier USS Hornet which we toured last year.

As the story goes - 1943 - Navy Captian John L McCrea picked up a mutt dog and his wife said he (the dog) was not staying here when he left again... so Victory (Vicky) became a shipmate on the USS Iowa who logged over 205,000 miles.

To read more about M1C Victory (M1C (Mascot First Class) go to the following website for a fun read.

Just a Footnote:

There are 5 months left this year before we nominate - officers for 2018 BCR . My office as Director is available for nominations - so please think about, accepting a nomination to run for office and give consideration to lead this organization for a year or two. The group is very supportive and is more than willing to lead the charge for different events - when they are part of the event planning. If anyone has interest in any other officer position - please be sure to open discussions.

Happy Buicking

MINUTES OF THE BUICK CLUB OF THE REDWOODS

April 12th, 2017 MEETING

Director, April Kahnberg, called the meeting to order at 6:58 p.m.

Members in attendance were Dave Bergmann, Don and Lois Brooner, Keith Brumley, Bill and Joan Costello, Terry Eggleston, Rich and April Kahnberg, Leo Ladner, and Stan and Gail Sollid. All were welcomed.

A motion was passed to accept the minutes of the March meeting as published in the Nailhead News.

Rich gave the Treasurer's report. A deposit of \$44.00 was made last month - \$24.00 from the raffle and \$20.00 from the sale of a sweatshirt.

Membership remains stable at 25 members.

OLD BUSINESS

Reports were given on the medical conditions of Kenny Silvestri and Alden Hennings.

Dave reported that reservations are confirmed for our Christmas dinner on December 9th from 2:30 to 5:30 p.m. at the Cattleman's Restaurant in Petaluma.

Dave also shared the information he obtained from Monograms Plus on embroidered patches, jackets and silk screened T-shirts.

- 25 4" patches - \$208 (\$7.75 each)
- 50 4" patches - 239.50 (\$4.50 each)
- 8" patch for back of jacket - \$175 each plus cost of jacket
- Silk screen on individual shirts. Monograms Plus has a wide range of sizes, styles and colors.

Terry made a motion to purchase 50 embroidered patches for \$239.50 plus tax. Leo seconded the motion and it passed by majority vote. Price for members will be determined at a later date.

Keith reported that he visited Silveira Buick GMC Dealership regarding an old car display this summer. Keith said there did not seem to be any interest from the dealership.

Leo reported on the trip to Sturgeon Lumber Mill in September. It was suggested that we arrive by 10:00 a.m. or a little earlier because of parking. The tour will be finished at approximately 12:00 noon followed by lunch. Leo suggested ice cream in Occidental or Russian River afterwards.

NEW BUSINESS

Stored in Leo's barn are years of back issues of The Buick Bugle that he is willing and anxious to share with others. Contact Leo if interested. April suggested that he bring some of the issues to meetings and/or events.

Terry reported that our fees for the website are due in July. Because of travel plans, Terry has renewed early. Weebly Pro is \$71.80 for two years. The annual renewal for our domain name is \$49.95. Terry inadvertently payed this renewal for two years at \$67.90. This was a savings to the club of \$32.00. Lois made a motion to reimburse Terry \$139.70. The motion was seconded by Gail and passed by majority vote. BCR website fees are paid in full through July of 2019.

Dave asked if the club was planning a special event or celebration for our 20 year anniversary coming up in 2018. It was suggested that we have a picnic at Lake Sonoma. More discussion will follow.

Three couples will be attending the Mendocino weekend trip in May.

The 50/50 raffle was won by Bill. The meeting was adjourned at 7:55 p.m.

Respectfully Submitted,
Joan Costello
Secretary

A WEST COUNTY ODYSSEY
A ROAD TRIP TO THE KORBEL WINERY AND ARMSTRONG WOODS

April 22, 2017 Contributed by Terry Eggleston

On a beautiful Spring morning in April there were reports of four gorgeous classic Buicks (with owners in tow) traveling west on River Road in the scenic West County. These eye-catching reminders of yesteryear pulled into the Korbel Winery and were immediately the focal point of many admiring spectators.

Bill and Joan Costello, Stan and Gail Sollid, Rich Kahnberg, Terry Eggleston and Michelle LaVoie first met at Stan and Gail's place in Santa Rosa for coffee and goodies before hitting the trail.

The Korbel Winery is a west county landmark known for its beautiful architecture and grounds as well as its champagne. There was a (extended!) visit to the gift shop for shopping before we visited the deli to get some staples for lunch.

We then moved on to Guerneville and then into Armstrong Woods State Park. As we learned from a volunteer, this canyon was saved from the loggers by Colonel James Armstrong (a logger by trade, ironically) in the late nineteenth century. It became an oasis of old growth redwoods amongst the desolated redwood forests that populated the entire west county area before the loggers arrived.

We found some parking in the picnic area and had a nice lunch amongst these ancient giants.

We then ventured (mostly led by Gail) on a hike of the Discovery Trail:

The Colonel Armstrong is the biggest tree in the park and quite a sight.

We returned to the cars and headed home with lots of images on our cameras and some nice memories of a great day.

The club event for May is a trip to Mendocino/Ft. Bragg areas...looking forward to it!

MARIA CARRILLO HIGH SCHOOL CAR SHOW

By Bob Giuntoli

Spring is here, the first car of the season for me was on April 1st and it was a beautiful 80-degree day. Tom and Donna Cropp and I drove to Santa Rosa in a great sun rise. When we arrived, there was coffee and scones prepared by the Culinary Class and a well-organized registration and parking. Later on, the class brought around delicious TatorTots wrapped in bacon, yummy, they also prepared Pulled Pork, Cole Slaw and Mac and cheese for lunch. There were about 225 cars entered and it was a good car show, for their first one, and over early and we were able to enjoy the ride home. It was nice to see Keith Brumbley from the Buick Club as well as some other friends.

The 51 - 50 Foundation

An Automotive Social Club

150 Ford Way, Novato CA (www.CAL5150.com)

Formed in 2011 by Marin County auto enthusiast, car builder, and race car driver Tony Lazzarini.

It was his plan to create a unique facility that would offer it's members secure auto storage, needed services and a "social club" for car guys/gals to meet for various automotive-related events.

Foundation produces 12-15 events yearly.

See Website for details anyone interested in learning more about this organization.
