## Directors Message

Richard and I had the opportunity to attend the 50th Anniversary Celebration of the Buick Club of America in Allentown, Pennsylvania.

A chance to help out in registration on the first day was enlightening. It gives you a real sense of the BCA Members and how far reaching this organization is. As well as, the aspects of what it takes to organize the schedules, events, tours, etc for so many people and putting it in a format that works for all members. Where to have it available, how, frequency, etc.

We went without a car for this event and it gives you the opportunities to take in the tours without concern about where your car is parked or where it should be by a certain time.

We are putting together a presentation of the pictures we took and what we found interesting on this trip. The content of the presentation is lengthy with lots of pictures, so I'll be sending to all members (when we get it presentable) for those who might want to take a look.

The next BCA National will be in Wisconsin. But again a bit far for our club but consideration to attend should be on your list. It's always fun to see cars we haven't seen before and see how far reaching the Buick enthusiasm reaches. As well as, meeting members and officers of the BCA for a little more personal engagement with the hobby nationally

Future BCA Annual Events are certainly on my list of things to do. Would love to take the trip with others in our Club.

April Kahnberg, Director BCR

Happy Buicking

## NICK'S COVE, MARSHALL, CALIFORNIA

August 13, 2016

Contributed by Terry Eggleston

This was a really fun Club event. Rich and April, Bob and Marge, Stan and Gail (in their Nomad), and Terry and Michelle met in Santa Rosa (Alden met us at the restaurant).

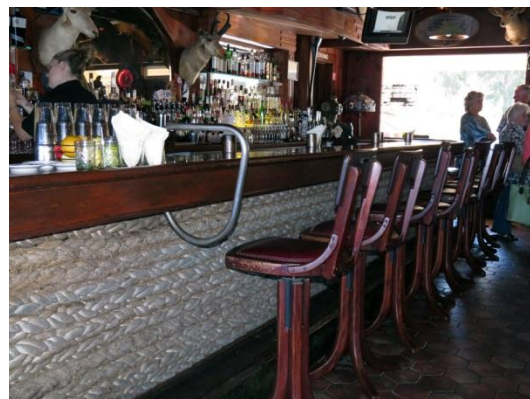

Rich was our leader as we headed west to the Coast Highway and Nick's Cove Restaurant. We had to take a detour due to construction, but we arrived with time to spare. April had made arrangements with management for us to park our beauties in front of the restaurant:

The wonderful décor of the interior was a perfect backdrop for a great lunch and conversation....which surprisingly...seemed to center around food, cars, and car shows!

A few other pictures from Nick's Cove:
