# Directors Message

By April Kahnberg

This month I dedicate this Newsletter to all members of the club. The outpouring of contributions was PHENOMENAL this month. Thanks to all who sent articles about events and museums you attended.

Even a bit of nostalgia .... Great job everyone. Keep them coming...I am more than happy to copy paste and post pictures into the newsletter from anyone with the urge to put pen to paper.

It has been a great year / summer this year with all the events we have participated in. The end of year is close at hand and we have some tasks before us in November and again in Early 2016.

One of the task is the election or reconfirmation of existing officers for 2016. Anyone interested in holding any position, please be sure your name is out there so you are not overlooked for a position.

Feb 2016 - we will get together to plan the monthly events. There are so many choices it's hard to get everyone in the same place throughout the year.

Julliard Park and Penngrove Fireman BBQ seem to be the ones we get the greatest number members to participation in. This year was Richard and my first time attending The Penngrove Show we enjoyed that venue greatly.

Great park and good company..... goes a long way to having a Great day.

## **Founded 1998**

Meetings are held on the 2nd Wednesday night of every month at  
**Round Table Pizza**, 1791 Marlow Rd in the Safeway Shopping Center,  
Santa Rosa.....(Corner of Marlow and Guerneville Roads)

Social starts at 6:30

Meeting 7:00 to 8:00

*(((Our room is free for this meeting, however this agreement is based on members planning to have dinner at Round Table.)))*

### **OFFICERS:**

## **BUICK CLUB OF THE REDWOODS**

### **MINUTES OF THE AUGUST 12<sup>TH</sup> MEETING**

Members in attendance were Don and Lois Brooner, Keith Brumbley, Bill and Joan Costello, Terry Eggleston, Vicki Fertig, Rich and April Kahnberg, Ben Karnes, Kenny Silvestri, Stan Sollid, Antonio Trejo and Rusty Tucker.

Director, April Kahnberg, called the meeting to order at 7:07 p.m. April welcomed our two new members to their first meeting, Ben Karnes who has a 1955 Buick Special Hardtop and Antonio Trejo who has a 1938 Buick Century.

Minutes of the July 8<sup>th</sup> meeting were approved as published on our website.

Rich gave the treasurer's report. Two deposits were made this month, one from the July raffle and one for \$15.00 for membership dues from Ben Karnes. Rich wrote a check for \$191.43 for payment on club decals.

Our Webmaster, Terry, presented Rich with a bill of \$71.80 for two years professional service on our website and \$49.95 for the domain name. A motion was made for Rich to pay the bills. Checks were written for a total of \$121.75.

#### **OLD BUSINESS**

The static cling decals with our club logo and name have arrived and one has been distributed to all current members. Additional decals can be purchased for \$2.00 each plus \$.50 postage (any quantity). Stan was thanked for his contribution to the art work involved.

#### **NEW BUSINESS**

There is a new member to BCA that was listed in the August Bugle. His name is Tim Ward and he is from Santa Rosa. All efforts are being made to contact Tim.

The club event for August is the Main Street Reunion Car Show in downtown Napa coming up this weekend (August 14<sup>th</sup> and 15<sup>th</sup>).

The club event for September is the Fabulous Flashback Car Show in Ukiah sponsored by the Early Iron Car Club. Friday, September 18<sup>th</sup> is the Friday Night Bash with the Car Show, Swap Meet and Poker Run held on Saturday, September 19<sup>th</sup>. More details and registration information can be obtained on their website - [earlyironofukiah.org](http://earlyironofukiah.org).

It has been brought to our attention that there were two events planned in October that fall on consecutive weekends. After some discussion it was decided to postpone the Alexander Valley drive until spring. The barbecue at Jeff and Bruce's new residence in Sebastopol will be held on October 10<sup>th</sup>.

The November club event is a progressive dinner scheduled for the 7<sup>th</sup>. Main course will be at Bill and Joan's and dessert at Terry and Michelle's. We need a volunteer to host the appetizers. Please let Lois or Joan know if you can help. There will be help with the appetizers as it is a potluck event.

Joan will miss the September meeting due to vacation plans. Lois will be acting secretary for the evening. April and Rich will miss the October meeting also due to vacation plans. Kenny and Bill will run the meeting.

New members were informed that we have club tee-shirts on sale.

As director, April occasionally will get phone calls about Buicks for sale, wanted or requests for parts. April shared two phone calls with the members.

April also shared an e-mail from Parker Christian from the 49ers Stadium Management Company. He is reaching out to classic car clubs in the Bay Area inviting them for a classic car meetup at Levi Stadium.

The meeting was adjourned at 7:38 p.m. followed by the 50/50 raffle won by Lois. Lois' half was \$22.00.

Respectfully Submitted,  
Joan Costello, Secretary

***Grants Pass Car Show***  
***Contributed by Ken Beatty and Craig Olsen***

*A Friend of ours from the Redwood Empire Chevy Club in Santa Rosa took a lot of pictures of our Back to the 50's Week and our Clubs Fabulous 50's Charity Car Show. You might even see your car or a friends somewhere in the pictures if you look closely. Craig took many of the pictures of cars that he likes, so if you see your car then you should feel like you are a winner for sure. I'm even sending this out to many of our friends out of the area as I'm also famous now and known as the Greeter for Grant Pass and Southern Oregon. Kinda like a Wal Mart Greeter ? Just trying to help increase our population of retired folks and especially those who just might enjoy classic cars with us here in the Rogue River Valley. We have four seasons, trees, rivers and now sales tax, and our neighbor , Mary Hart, is a Real Estate Broker and is just the person who can assist you in finding the perfect home for you. See, the Chamber of Commerce just might offer me a part time job if we attract more people to move here. Enjoy the pictures that Craig put together !!!!! **Ken***

Barb and I just got home from the Back to the Fifties car show in Grants Pass, Oregon. We went with about 23 other cars from the Redwood Empire Classic Chevy Club. If you like math, add our car, and multiply 24 cars times 2 bodies per car or 4 pairs of eyeballs per. That's a lotta cars and a lotta protoplasm from one club. We all met at Fred Stoke's place Wednesday morning and took off from there, driving up Hwy 101. The route took us through the Redwoods up the Avenue of the Giants the first day to the Eureka/Fortuna area. Beautiful scenery. We had dinner that night at the Samoa Cookhouse which is an old logging company facility that used to feed the loggers who worked for the local lumber company. Next day, we pulled in to Grants Pass. Our motel happened to be located right along the Rogue River, and about two blocks from Riverside Park where the car show was held. Pretty convenient. Friday, a bunch of us took a ride on one of the Hellgate jet boats that take excursions up and down the Rogue River. If you get a chance to take the jet boat ride, do it. These things have three GM LS engines for power, and can reach speeds over 60 miles per hour. That's with a load of about 60 people. The drivers or pilots or whatever they call the guys who drive the boats, delight in jumping waves and spinning the boats around 360 degrees to see how wet they can get you, and they pretty much succeeded. The ride takes you 18 miles down the river, where you get off and have lunch or dinner, then get back on for the 18 mile ride back, trying to make sure whatever you ate stays where you put it.

Car show on Saturday followed by a cruise in downtown Grants Pass, and then we and a few others headed home on Sunday. The rest of the bunch will continue on, making a loop around Oregon to Bend, Silver Falls, Newport, and Brookings, visiting museums and other sights & areas of interest before heading home this coming Saturday.

The car show and the trip was great, but meanwhile closer to home, there were some great cars shows this past weekend at Penngrove, Midnight Mass in Woodland, the Devils Darlin's in Sonoma, and the Fortuna car show. Barb and I took our time coming home and did a little of the tourist thing, stopping at some of the roadside attractions. Made it home with no problems other than the brain damage that occurs from listening to a LOUD exhaust for about 850 miles. Fun as the trip was, it feels good to be home. I took way too many pictures, and it'll keep you home for a while too, if you try to look at all of 'em in one sitting but you're welcome to give it a try. There are sight-seeing pictures mixed in with the car pictures just to give you a little break here and there.

**Craig**

Another article follows with pictures by Stan Sollid

## A CRUISE NORTH / by Gail and Stan Sollid - Grants Pass with the Chevy Club

The Redwood Empire Classic Chevy Club (RECCC) cruised to Oregon to attend the annual *Back to the Fifties* car show and cruise in Grants Pass, and then on to other places in Oregon. Forty seven people began the cruise in Santa Rosa on Wednesday, July 22nd. Ken and Candy Beatty, charter members of our Buick Club, moved to Grants Pass eight years ago and they are now members of the Rouge Valley Classic Chevy club. Ken was in charge of the vendors that were part of the event. Although he was very busy, he took the time to stop by the hotel to greet us.

On Friday we took a white knuckle ride on the Rogue River. Not many of us stayed dry thanks to the adventurous and skilled driver we had.

Our hotel was right on the Rogue River. The car show was held across the river in a large, beautiful city park - an excellent location. Our Chevy club won the honor of having the largest number of cars attending the show. There was a rich variety of hot rods and classics cars at the show from many parts of the western United States. The awards were given out mid-afternoon and everyone started preparing to watch or drive their cars in the downtown cruise.

It was a wonderful event. On Sunday many of the RECCC drove back home but 23 intrepid souls continued for another seven days. Our drive through Oregon included a visit to Crater Lake, Bend, Hood River, Silver Falls State Park (where we were able to relax for two days), Newport, and Brookings. Some of the sights we saw were the "End of the Oregon Trail" Museum, World Speed Museum in Wilsonville Evergreen Aviation and Space Museum where the Spruce Goose awaited us. The final days found us heading home along the spectacular Oregon Coast seeing picturesque lighthouses and stopping occasionally to take it all in and talk about the memorable journey with our Chevys.

# PEAR TREE CENTER 1<sup>ST</sup> ANNUAL HOT AUGUST DAY AND LAKEPORT'S HOT AUGUST NITE CAR SHOW

By Bob Giuntoli

This is a tale of two car shows on a very hot day on Saturday August 15.

The first one was put on by new member, Dave Bookout at the Pear Tree Shopping Center in Ukiah. It was well done for the first car show, even had coffee and donuts served all day. There was also a DJ playing Rock and Roll all day. It was a classic car and motor cycle show with many Early Iron members attending.

Jason Hartje won under construction and best domestic motorcycle with his two 1951 Indian Motor Cycle's. Brack Zollo for best Import Motor Cycle, and Tom & Donna Cropp won for best Classic Car and Joe Silviera for best Hot Rod.

Early Iron members attending were Dave and Martha Bookout , Jason and Tracy Hartje, Mark Davis, Tom and Donna Cropp, Alan Bassani, record Yugo award winner Lou Fortin, Bob Bender, Chad and Victoria Dalbec, and past members Mike Bassani and Joe Silviera. **Maybe next year we can make it a club event and have a potluck tailgate lunch party or something.**

It was about a 100 degrees; so Tom, Donna and I stopped at their house for 15 minutes under a fan and a Bud. Then we left for **Lakeport**. The Buick and the T-Bird both have Air Conditioning which also helped.

The Hot August Nites Car Show & Concert at Library Park from 5 to 9 PM was **sponsored by the Lakeport Senior Center**. It must have been sold out, because when we got there we barely found a place to park. The music was by the Lake County Diamonds, which was very good. We saw Early Iron members Chad and Victoria Dalbec and Alan and Betty Thompson who won the Ladies Choice Award with their beautiful red Mustang.

## ***BEFORE TELEVISION, THERE WAS..... YES! THE RADIO***

***(Contributed by Ken Beatty and Craig Olsen)***

Chuck Sizemore sent me this one. Before you groan and hit the flush handle, take a second and pick out one of the radio shows and listen for a minute or two. I picked a Dragnet episode...one of the later ones, I think it was called "Big Rod". It's a kick in the head to hear Jack Webb fast-talking like he did, and the simplistic story line. The thing that occurred to me is that I was listening to this radio episode of Dragnet while simultaneously listening to KFOG radio on TV, trying to read the paper, and eating a bowl of cereal. The only thing I did a good job of was eating the bowl of cereal. No wonder my thoughts are so scattered...there're too many things going on at once everytime I try to do something. Young people seem able to do 3 or 4 things at once with impunity, but I have a hard time walking and chewing gum at the same time. So now I'm headed to Costco for what's supposed to just be a few items. I'll have the radio on while I'm driving, I'll be thinking about what else I should pick up while I'm there so I don't have to go back later for something I missed, I'll be checking out the sights along the way, and I'll probably drive right past my exit. I hope there's enough room in the car for what'll undoubtedly turn in to a greatly expanded grocery run. Before I leave the house I just gotta check...underwear goes on the inside, right?

Craig

## Nostalgia Days Novato Car Show

by Keith Brumbley

I ventured a short distance down to Novato on August 15th to attend the Novato Nostalgia Day car show. I have never attended this and thought it would be fun. Unfortunately it was on the same day as our club outing to a car show in Napa so I was on my own.

We are fortunate to live in an area where there is pretty much some sort of car related activity going on every weekend. The car show was in the old part of Novato off of Old Redwood Highway on Grant St. It has lots of restaurants, bookstores, antique shops and even a record store! I guess there were about hundred cars in attendance from high dollar customs to the ubiquitous rat rods. There were very few Buicks in attendance, just my Riviera and one other 1963 Riviera. I saw a lot of cars I have not seen before which makes for an interesting day. Car owners are always eager to tell you the story of their car and the stories are always interesting.

I lasted until about 3:00 in the afternoon and though I was parked under a nice shade tree it was a very hot day and it was a long day.

One nice memory from the show was when two older gentlemen were looking over my car and seemed impressed. They told me they like to go to car shows and pick out one that they would take home if they could. After checking out all the cars they came back and told me it was no contest- mine car was the one they desired most! It was nice to hear a compliment like that and for me it made it all worthwhile.

**Main Street Reunion Car Show, Napa, California**  
**August 15**  
**By: Terry Eggleston**

Bruno, Charley, and Ruby met in the early hours of Saturday, August 15<sup>th</sup> at the Grocery Outlet. Rich, April, Don, and Terry came along because, as of yet, it is still illegal for cars to drive themselves. In other words, humans were a necessity.

The team headed east and southeast along the Valley of the Moon, ultimately to turn right and into the town of Napa, ending up in a parking lot on Main St. for their annual Main Street Reunion.

This car show is unique, at least in the mind of this writer, in that the cars are parked along several streets in downtown Napa as opposed to all being in one area. I thought it made for a nice effect. I guess there were about 370 cars present, some of them even parked on the bridge over the very low Napa River. There were some interesting standouts...like a 1938 Buick Special and a 1929 Stearns Knight.

As the sun rose so did the temperatures, hitting the mid-90's before we packed up about 2:00 PM and started home. The drive back to Santa Rosa reminded me of LA in the 50's and 60's....those Lake County fires are playing havoc on our air!

Congrats to Don for winning an award. It was a good day and we're looking forward to Ukiah next month.

Bruno, Charlie, Ruby with Don, Rich, April, and Terry in tow

**1938 Buick Special**

**1929 Stearns Knight**

## **Penngrove Power and Implement Museum by Richard Kahnberg**

On July 11th, for the second time, a friend and I took in the annual open house at the Penngrove Power and Implement Museum. Admission is free with donations suggested, takes some big bucks to keep this gem going.

The Museum's mission statement, from the website, is:

**To show the transition from human and animal power through steam, diesel, gas, and electrical machinery as our country evolved.**

The Penngrove Power and Implement Museum is dedicated to preserving in working condition the equipment and machinery that have helped transition our country from manual labor and animal power to external power sources such as steam, internal combustion – diesel, gas and electricity.

.....

For those of you who have not been to the museum it is mostly a guy thing although the attic in the resorted barn does have a number of mementos from life in the early 1900's.

One of the first items that you see is a 1930 Fairbanks Morse diesel engine. The engine is huge. 450 Hp @ 300 rpm and weights in at 35 tons. Six cylinders, 8 feet tall and 25? feet long. The engine originally powered a generator at a sawmill in Orleans, California. The engine was started several times during the show.

Next is a restored Caterpillar Tractor Model 60 (50-70 Hp), Running of course. It is hand start using a bar placed in holes in the flywheel. Would not want to try starting it in the morning or any time for that matter!

This year the newly restored New Huber Steam Tractor was displayed and took a run around the barn under its own power. Visibility from the driver's seat is not very good so stay out of its way.

The particular engine I enjoy seeing run is the Pratt and Whitney 4360 radial aircraft engine, 3,000Hp @ 2600 rpm. Four rows of seven cylinders. They had a little trouble starting it, but that is part of the fun of these shows. These engines powered a number of aircraft during WWII and the Korean conflict. This particular engine is "rumored" to have been one if the eight used on Howard Hughes' Spruce Goose, but who knows for sure.

Inside the barn are several more large engines from the 1900's, all running and a mock up of a shop showing how the power from the engines would have been distributed using belts, pulleys and overhead drive shafts. As previously mentioned the barn also has other interesting items from the early 20th Century, an egg cleaning machine, early tent trailer, Model T station wagon.....well I thought they were interesting. Displayed in front of the barn were a number of 1930's cars and tractors.

If you have a couple of hours the second Saturday in July next year, check it out.

**Fairbanks - Morse Big Six**

**Caterpillar 60**

**Pratt & Whitney 4360**

## Terry's Travel Corner (TTC)

By Terry Eggleston, for a limited time only.....

*Will feature snippets from Terry's Travel*

*Terry has returned to Santa Rosa. This is the last of his travels - and great pictures that he shared in the Newsletter. I'm sure he has many more.*

07-29: Peoria, Ill

Western Tennessee July 29

Love these from Miami, Okla on Route 66:

08-02: In Santa Fe....I found a blow-by-blow book of Old 66 and am making lots of stops and taking lots of pics...

Here's some samples....but..there are way too many to send...I can't wait to share my 'Mother Road' experiences!

08-03: Had to shoot through the fence for these! In Gallup, NM tonight. Loving the Mother Road!

08-06: Three pics from Williams, AZ. There are mannequins in the Buick....one is supposed to look like Elvis, I think

08-07: In Ashfork, AZ I saw this Special. My 2<sup>nd</sup> car was just like it...most of these cars were Skylarks...but mine was a Special, as is this one. I should research the difference. Later in Oatma, AZ I saw this Buick wagon...no one was around so I couldn't get any info.

08-08: This jewel is in Fenner, CA....in the middle of nowhere

This is my last entry; in Bishop tonight...Devil's Postpile and Bodie tomorrow and then home.

Additional Pictures sent via CD:
