# Directors Message

Greetings Buick Club of the Redwood's members. I trust you all had a Merry Christmas and a festive New Year celebration. A better 2023 for the World would certainly be well received.

I want to thank the outgoing club officers for their work and contribution to the club. Bill (for his extended service) as Director, Andrew as Assistant Director and Photographer (and raffle ticket sales), Rich as Treasurer, Joanie as Secretary, Leo as Publications Director and Julie as Webmaster. And thank you for all stepping up this year. Seems there is not much of a change. Bill has taken on the Assistant Director duties and Terry has taken on the Webmaster position.

At the moment there isn't much current news as we postponed the 2023 activity planning meeting to March's monthly meeting. See what your creativeness can come up with and attend the meeting or send word what you might have in mind for an event. We already have several tentative commitments. Notify Joanie if you have an activity in mind.

There is one concern I have and that is the drop in membership we just experienced. While it is two members it is approximately 10% of our membership.

I would encourage everyone to look for opportunities to place a club business card on a vintage Buick you might see or hand a card to someone who is a Buick owner. And thanks Rich for contacting locals that show up in the national club register.

I look forward with all of you for an enjoyable 2023 of socializing, road outings and various other events we may create.

Dave Bergmann

# MINUTES OF THE BUICK CLUB OF THE REDWOODS

## JANUARY 11th, 2023 MEETING

Director, Dave Bergmann, called the meeting to order at 7:00 p.m.

Members present were Dave and Linda Bergmann, Bill and Joan Costello, Jay Emery, Rich and April Kahnberg, Jim Liddle, Donna Watt and Andrew Wong.

**Director Report.** Dave thanked our new panel of officers which includes Bill, Joan, Rich, Leo and Terry for stepping up for the 2023 year. Dave also thanked Julie and Andrew for their past contributions.

**Treasurer/Membership Report.** Membership dropped from 21 to 18 with 2 past members not renewing for 2023. Two of our members living in one household have chosen to only pay for one membership in 2023 which brings our total to 18. With significant others and/or spouses, our total is 32. Rich will ask Terry to update the club roster that is posted on the BCR website. This roster is password protected.

There was one deposit made to the checking account of \$143.00 from the December raffle and dues. A check was written to Dave for \$510.00 for the cost of the Christmas dinner. Rich made another deposit recently of \$80.00 from dues.

Jim suggested calling new BCA members that are printed in the Bugle. Rich reported that he sends a notice to anyone in our area inviting them to a club meeting.

**Assistant Director Report.** Bill thanked Dave for stepping up to take over the Director's role.

**Secretary Report.** Joan asked for additions or corrections to the December minutes. Minutes were approved.

Joan received an email on Wednesday morning regarding the Tech Talk sponsored by the Northern California Club for Wednesday afternoon at 12:30 p.m. Paula apologized for the late notice. Joan did not send the notice to club members because she did not see the email until after the talk started.

There was discussion regarding the Planning Brunch on Saturday. Due to the poor response and the expected rain, the general feeling was to postpone. Bill made a motion to postpone the planning meeting until the March 8<sup>th</sup> business meeting. In the meantime, anyone who would like to plan an event for a specific month should contact Joan and she will put your name on the Activity Schedule.

Lunch was scheduled for February 11<sup>th</sup> at Art's Place in Rohnert Park at 11:30 a.m. Evite to follow with details.

Rich proposed a cruise to Fort Ross in early summer to take in the sights and lunch.

The meeting was adjourned at 7:35 p.m. followed by the 50/50 raffle that was won by Dave.

# Buicks in Miniature

BCR member Keith Brumbley has been a modeler since his formative years. He attended a major west coast show in Santa Clara this month. His skills are renowned within the modeling community and this year two of his entries were selected for publication by hobby magazines.

Other modelers prefer to “customize “ their cars with widely variable results.

The show had over 400 entries and included dozens of vendors in support of the hobby.
