Message From Your Director

The cruise to the Schellville Airport turned out to be a fun and informative day. Thank you to Keith for arranging this event. It was unfortunate that Joan and I could not make it due to a prior commitment.

At our next meeting, we will be nominating officers for the 2023 year. The position of Director is available if you are interested. Voting will take place at the December meeting with the new board taking over in January.

Dave and Leo have a great tour arranged for us in November along with a poker run. Should be fun so save the date – November 12th. Also save the date of December 4th for this year's Christmas Dinner. Thanks to Dave and Linda for all the work on this event. Details to follow.

Happy Halloween

Your BCR Director, Bill

WHEN DRIVING YOUR BUICK, SMILE

MINUTES OF THE BUICK CLUB OF THE REDWOODS

OCTOBER 12th, 2022 MEETING

Director, Bill Costello, called the meeting to order at 7:00 p.m.

Members present were Keith Brumbley, Bill and Joan Costello, Dan Joseph, Greg Morgan, Rich and April Kahnberg, Leo Ladner, Jim Liddle and Donna Watt.

Director Report. Bill thanked all the members who attended our last event, the Pop-up Breakfast at Café Bellini. This was in lieu of our annual summer barbecue at Jeff and Bruce's home in Sebastopol.

Treasurer/Membership Report. Rich said membership stands at 21 which brings the total of members/spouses/partners up to 40. In November, Rich will send out renewal notices for 2023. The only activity to the checking account was one deposit of \$20.00 from the September raffle.

Secretary Report. There were no corrections or additions to the minutes. They were approved as published.

Publications Report. Be sure to check out the next Nailhead News because there will be lots of great pictures from the October 8th tour to Schellville Airport. Leo has obtained an updated birthday and anniversary list from Rich.

OLD BUSINESS

Details are being finalized for our next event, Coastal Cruise, Garage Tour and Poker Run followed by lunch in Tamales organized by Leo and Dave. Bill will be handling the poker run aspect. The event will begin probably at 11:00 a.m. Evite will follow.

Keith and Leo spoke about the cruise to Schellville Airport giving members some of the highlights. The tour ended at Pub Republic in Petaluma for lunch.

NEW BUSINESS

Bill announced that as per BCR Bylaws, nominations for officers will be made in November, elections will be held in December and incoming officers will assume their duties in January. Bill announced that he will not run for another term as Director. Julie also has stated that she will not run for another term as Webmaster. Terry has accepted the nomination for Webmaster. Please check with a member before nominating them as to whether they are okay with the nomination.

Donna has invited all to celebrate Jim's birthday on November 10th at 4:00 p.m. for dessert. This celebration will take place at Jim and Donna's home in Santa Rosa. More details will be sent out.

Our day began in Rohnert Park

Grumman T28 Trojan

Used primarily during the Korean and Vietnam wars as a trainer/ low level attack aircraft.

The bi-plane is a North American PT17
Used as a trainer during WWII. Many ended their military service to become
crop dusters or for amusement rides around the country.

This WWII war plane is a North America P51D Mustang.
Premiere fighter that dominated the skies over Europe.
This example was likely built at their factory in Southern California and
featured a Rolls Royce designed supercharged V12 built under
license by Packard Motor Company.

Curtis P40 War Hawk powered by an Allison V12.
As shown, with this unique paint scheme famously flown by the Flying Tigers a volunteer group on a mission for the Chinese government against the invading Japanese.

First generation of Jeep; The one that started it all.....
In the background is a North American AT-6 advanced trainer

Super light Piper J3 Cub.

This fabric skin plane saw many uses as a civilian and military aircraft from WWII through the Vietnam war. The Military used them as a “spotter” aircraft to track enemy positions.

These planes are still popular today as a slow forgiving weekend flyer. This example is owned by a retired Clover Dairy worker and her husband who were kind enough to allow us an up-close inspection.

Our day was warm and clear filled with many seldom seen sights.....
