Well, thanks to all who participated in the Planning Brunch this year (Great turnout). We have a great plan for 2017. New ideas, a few museums and alternate ideas - keeps this club interesting year to year.

We will kick off this year with a trip to Ukiah to the Grace Hudson Museum and Brunch at Patrona a few blocks away.

We selected a new Password at the Planning Meeting - and we will publish via email when it has been changed. As Members of the organization we need to not share this Password with none members - to help secure our members private information on the Roster that is behind Password Protection. Thank you all for your help in maintaining this proprietary information secure for all our members.

As we embark on the new year - we have a few members - to be sure we pass on our best wishes.

Ken Silvestri - Health Issues that landed him in the hospital but is now getting the care he needs to get well.

MINUTES OF THE BUICK CLUB OF THE REDWOODS

January 11th, 2017 MEETING

Director, April Kahnberg, called the meeting to order at 6:55 p.m.

Members in attendance were Dave Bergmann, Bill and Joan Costello, Terry Eggleston, Rich and April Kahnberg, Will Norton and Stacy, and Stan Sollid. Our guest for the evening was Joe Dugan who accompanied new member, Dave Bergmann. All were welcomed.

A motion was passed to accept the minutes of the December meeting as published in the Nailhead News.

Rich gave the Treasurer's report. Bank deposits for the month included \$344.00 which was collected for the Christmas Dinner at Willie Bird's Restaurant and \$78.00 for dues and raffle. A \$333.70 check was written to April for the total cost of the Christmas Dinner that was paid for on her credit card.

Rich reported that we currently have 21 paid members which includes three carry-overs. (If a member joins between July 1st and December 31st, their membership is automatically carried over the following year.) Five 2016 members have not presently renewed.

A motion was made to reimburse Rich for two books of stamps. Rich mails Jack Wilson the BCR Minutes and Nailhead News each month. Jack sends money for postage.

Joan updated members on a conversation with Rusty Tucker earlier in the day. Jack Wilson will drive from his home in Lucerne and accompany Rusty to the February meeting if Rusty is feeling up to it that day. If not, they will try to attend the March meeting. It will be great to see both members.

April will follow up with Keith regarding the possibility of a car show this summer at the Silveira Buick GMC Dealership in Healdsburg.

Discussion followed regarding changing the password on our website. It was decided to have members turn in suggestions at the Planning Meeting and a vote will be taken.

A gentleman from St. Louis, Missouri has a 1951 Buick Special – 2 door hardtop for sale for \$39,500. If interested, see April for details.

April thanked Terry for the great articles and pictures in the December/January Nailhead News.

Bill gave an update on Kenny. After spending some time in the hospital, he is now doing well.

The 50/50 raffle of \$20.00 was won by Bill. The meeting was adjourned at 7:30 p.m.

Respectfully submitted
Joan Costello, Secretary

The **Grace Hudson Museum and Sun House** in Ukiah, California, is an art, history and anthropology museum focusing on the lifeworks of artist [Grace Carpenter Hudson](#) (1865-1937) and her ethnologist husband, [Dr. John W. Hudson](#) (1857-1936). Changing interdisciplinary exhibitions and public programs feature Western American art, California Indian cultures, histories of California's diverse North Coast region, and the work of contemporary regional artists.

Since its inauguration in 1986, the **Grace Hudson Museum and Sun House** has become an increasingly important cultural and educational resource for Northern California. The Museum's collections consist of more than 30,000 interrelated objects, with significant holdings of Pomo Indian artifacts (particularly basketry) ethnographic field notes, unpublished manuscripts, historic photographs and the world's largest collection of Grace Hudson paintings. The Museum's exhibitions and public programs are thematically shaped by, and linked to, its collections with their focus on Western art, history and anthropology. The Museum also houses a gift store with jewelry, children's items, local artists' work, books, and t-shirts. The Museum sits on the four acre Hudson-Carpenter Park.
