Directors Message

Hello BCR Members,

We are home. Great trip. Long trip. Thirty days on the road, 5946 miles door to door. We attended the BCA National in Denver and ROA National in Kansas City, KS. Pretty warm in areas and higher elevation dictated – take it slow and drink lots of water.

The hosting club in Denver, Mile High Club, did a great job orchestrating the event. Very nice people. We had some great tours in this area. Tours and places we would not have picked to venture out to, but were very interesting and fun.

At the Banquet dinner on the last evening we sat with the current Asst Director of the NorCal Buick club here in the Bay Area. It was interesting to hear his stories of little participation by members, no regular monthly meetings, only 4 events a year (planned by 2-3 people) and no one interested in holding club offices and helping. It didn't sound like they even had a secretary. (Which would confirm limited communications from this club.)

At the BCA All Members meeting in Denver there was considerable discussion about the future of the club, as many members are getting up in age; how do we bring younger people into the fold. It was refreshing to hear a young man, a member of Pete Phillips Auto restoration team speak and ask all members for inclusion. "We may look different than you do, but we have the same passion for this classic Buick line of automobiles, and you should extend us a hello." Should have been an eye opener for many members at that meeting. I hope it resinated a clear message.

We met Pete Phillips, Editor of the Bugle. Very gentle, soft spoken man who isn't afraid to take on a task. Not only does he and one other lady publish the Buick Bugle, that we all enjoy monthly, he runs a business, is a BCA Board member and will "CHAIR" the 2019 National meet that will be held in Oklahoma City. He is very excited about the events/tours he has planned for that area.

We had great weather, although hot and humid at times. On one day we watched as torrential rain filled the sky so that you couldn't see across the street and pretty significant winds. On the news later, we found out a small tornado touched down a few miles away.

The best areas of Route 66 – from Kansas City, Kansas are Oklahoma, Texas panhandle, and eastern New Mexico. We found that the Route 66 roads west of Albuquerque were impassable and had to resort to Hwy 40, and venture off for a site then back on to Hwy 40 for the next recommended Route 66 – interest.

I would love to do Route 66 from Chicago to Oklahoma City. Just to see how much preservation may exist on the Eastern side.

Great Trip – ready to go again.

.....and Blessed are Old Buick Owners - as they will continue to tour the earth.....

Happy Buicking

CELEBRATION OF LIFE FOR STAN SOLLID

June 24, 2018

Armstrong Woods State Park

On Sunday June 24, 2018 our Club, in concert with the Redwood Empire Classic Chevy Club, paid homage to our dear friend, Stan Sollid. We lost Stan in January of this year. We all loved and respected this gentle and kind man, and miss him dearly.

We met on River Rd. north of Santa Rosa. Bill and Joan Costello brought their Skylark, Don and Lois brought their '57 Roadmaster, Terry brought his Chevy pick-up, Michelle drove their Century (Ruby needed a cosmetic upgrade!), and Bob Guintoli brought his '36 Ford. Jeff and Bruce met us later in their Skylark. I didn't count, but I'm guessing there were at least 25 classic Chevys at the starting point. With headlights on we traversed the half hour drive in our beautiful wine country....Forestville, Hacienda, Guerneville, and then Armstrong Woods.

We got many admiring looks from the masses as we lined up to check in at the guard shack

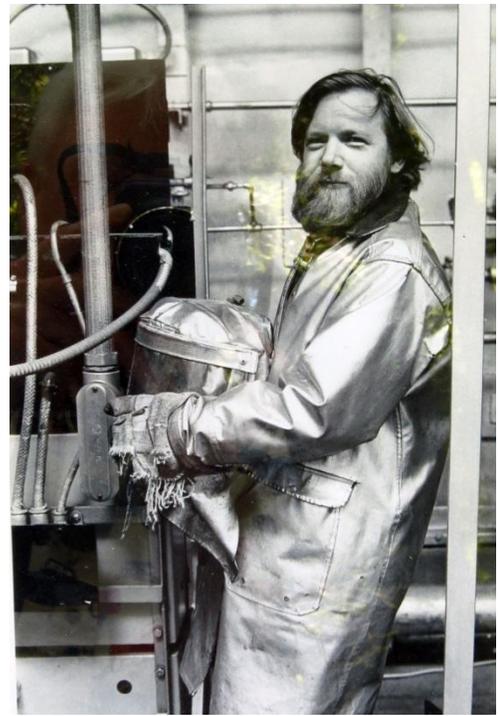

Michelle behind the wheel of Ruby.....this allowed Terry to drive Kaddywampus (his '53 pick-up)

Gail Sollid had planned every detail for this celebration. Tables in the picnic area were adorned with photographs of Stan's life, model cars, and other items. I'm sure Stan would have felt at home with all his admiring friends and family in attendance. Following are some pictures I took of the folks, the decorations, and pictures of pictures on display:

So long, Dear Friend. Thanks for the Memories!

JUILLIARD PARK FATHER'S DAY SHOW AND SHINE

June 17, 2018

by Terry Eggleston

In the wee hours of Sunday morning, June 17, Dave Hoogendoorn, Jay Emery, and this sleepy author met near the Santa Rosa Mall to line up for the Annual Juilliard Park Car show. Our efforts were rewarded as we were able to get spaces for the four cars that represented our Club.

Dave and Bill and Joan Costello brought their Skylarks, Terry brought his Century, and Jeff brought his new pride and joy, a 1972 Eldorado.

As one can see, we had a nice spot next to the pond....plenty of room for our pop-up and other necessities for spending the day at a car show.....

Ever the host, Dave did a great job of adding a little class to our temporary home.....

Here are some other pictures of the ladies.....

The 8.2 liter engine in the 'Eldo'
(more than 500 cubic inches!)

Club members came and went as the day progressed. All in all, the following members were present: Dave and Lori Hoogendoorn, Jay Emery, Bill and Joan Costello, Jeff Mounce and Bruce Johnson, Will Norton, Keith Brumbley, Don and Lois Brooner, and the author.

We tried to get all of these folks in one picture, but this is the best we can do.....with apologies to Jay and Keith who were out looking at all the cars at this event.....

Other Buick Sightings

This beautiful '57 Special was parked near us. The owner had just purchased the car out of Auburn a few days before the show.....you can bet they were inundated with info about the BCR!

Following is a few of the other cars the author found interesting....the first is a 1963 Morris pick-up....believe it or not, it's stock. They didn't sell them in North America...it's a right hand drive.

A very nice event with milder temperatures than last year.

Next month: Leo Ladner's drive to Pt. Reyes.
