Directors Message

June Solstice is/was here and gone. July 4th just around the corner. Hope everyone is enjoying the summer heat, doesn't appear to be moving out of the area anytime soon.

Certainly not as hot as Father's Day but in the 80's can be warm if you have to be out in it all day.

Hope to see many of you at the Penngrove event in July. It will be warm but it is a nice venue for a great cause.

We are planning our fall events already - and it's hard to believe we are on the 2nd half of 2017. Not sure about anyone else but time doesn't stand still of me anymore.

Hope you all are having a great summer and look forward to the upcoming events to share with everyone.

Happy Buicking

April Kahnberg

BCR Director 2017

.....and Blessed are Old Buick Owners - as they will continue to tour the earth.....

MINUTES OF THE BUICK CLUB OF THE REDWOODS

June 14th, 2017 MEETING

Director, April Kahnberg, called the meeting to order at 6:59 p.m.

April thanked members for attending. Members present were Dave Bergmann, Don and Lois Brooner, Keith Brumbley, Bill and Joan Costello, Rich and April Kahnberg, Leo Ladner and Stan Sollid.

A motion was passed to accept the minutes of the May meeting as published in the Nailhead News.

Rich gave the Treasurer's report. A deposit of \$23.00 from the May raffle was made. Membership is holding at 24.

A donation to Hospice By The Bay will be sent in honor of Kenny Silvestri who recently passed. Rich made a motion to send \$100.00. The motion was seconded by Bill and passed by majority vote.

OLD BUSINESS

Recent events and car shows were reviewed – Mendocino Coast trip, Fred Stokes Car Show, Sebastopol Car Show, Salute to American Graffiti, and Peggy Sue's Car Show and Cruise which was held this year at the Sonoma County Fairgrounds. This will be the permanent venue for the show.

Dave will get a quote from Monograms Plus on larger patches (approximately 5") to be added to hats, jackets, etc. by members.

NEW BUSINESS

Bill reported his findings on the Cobra Experience that Gene and Linda Perrin recommended as a museum BCR might enjoy visiting. DenBest Motorsports was recommended by members and is conveniently located in Windsor.

Gary Sterner dropped by to invite all BCR members to The Gary Edsel Farm on August 12th. A barbecue lunch will be provided. Bring your classic cars and a potluck dish. More details in the Nailhead News.

There was discussion regarding T-shirt designs. More discussion will follow.

April reminded members that the Riviera Owners Association Annual Meet will be held at the end of the month.

Upcoming car shows were reviewed:

- Juilliard Park Father's Day Show and Shine – June 18th
- Graton Car Show – July 1st

- Gualala Car Show – July 15th
- 7th Annual Penngrove Hot Rods and BBQ – July 22nd
- 24th Annual Cloverdale Car and Motorcycle Show – September 8th & 9th

Bill gave specifics on the Sonoma Canopy Tours. It is a 2½ hour tour with 10 platforms and one Indiana Jones Rope Bridge. The information was received with mixed feelings around the room and it was decided to table the idea.

April ushers for the Luther Burbank Art Center. Sometime in August they are putting on an appreciation BBQ lunch for employees/volunteers and would like to have anyone that owns a 195X's car to join them for lunch. The cars would be on display and used in photographs. More details later.

The meeting was adjourned at 7:55 p.m. followed by the 50/50 raffle that was won by Keith.

Respectfully Submitted,
Joan Costello
Secretary

Juilliard Park – Fathers Day Event June 18, 2017

Written by: April and Richard Kahnberg

As many know, there is always a chance of a hot day at the Park on Father's day. But this year it was off the chart.

The hottest day of the week (month) left members sweltering in the shade. We had 8 Buicks representing the Buick Club of the Redwoods. Members who ventured out on the pending HOT day were Dave Hoogendoorn, Leo Ladner, Keith Brumbley, Jeff Mounce, Bruce Johnson, Stan and Gail Sollid, Bill and Joan Costello and Richard and I. (If anyone is counting we brought both Rivieras).

Richard and I arrived at 6:20 AM – at the Sears parking lot to secure a place in line to the park. Within a short time Keith walked to where we were staged and said he was just around the corner – in line. As it turned out, Keith's moved into the park first with me close behind.

Registration packets were available for pick up about 45 minutes prior to the park opening – down near the Sears building. No more picking up the package when you rolled into the park. This made the entrance to park much smoother – a great change for everyone – who arrives early . Much much faster than previous years. Cudos to the ECA members for this welcomed change.

The Club was represented with:

3 Skylarks, 70's;

3 Rivieras, 60s;

A 1949 Roadmaster Convertable and

A 1954 4 Door Super Sedan.

*Notable Mentions: 1st Fathers Day Event for Leo Ladner and
1st ever – Car Show entry for Dave Hoogendoorn.

Our resident photographer Terry (and Michelle) are off to even hotter locations on vacation – these pictures were taken by Stan Sollid. Special thanks to Stan – and hope Terry and Michelle are having a great vacation.

And we weren't alone ~ :)

Always a great day to spend with good company – we all were home or close to home by 3:30 out of the heat.

CARS AND COFFEE NOVATO – JUNE 4TH

Submitted by Bill Costello

Joannie and I went to Novato on Sunday, June 4th to enjoy the Cars and Coffee non Car Show. There must have been 300+ cars and trucks to drool over. There were Lamborghinis, Ferraris, old rusted trucks and everything in between. Joan's favorite was a 1950 green Mercury. Nice to see a Mercury of that era not chopped or channeled. One of my favorites was the XK140 Jaguar. There were four or five Mini Coopers and Dave Devlin's Buick Station Wagon (see picture below). Of all the Cars and Coffees in the area, this is the largest with the most exotic cars. It is a must see at least once during the summer months. Enjoy the pictures.

Sturgeon Steam Mill

Just down the way we have a local treasure of a working museum, The **Sturgeon Steam Mill**. It features ancient steam-driven machinery including the sawmill itself, the planer that hoots out giant smoke rings, and the newly resurrected huge "Steam Donkey". Experienced volunteers work in rhythm with these and you can embed the sounds and smells of one of our founding industries. It is both primal and detailed, full of historic and amusing info about local families and businesses, and an immersed steam-punk dream.

(photo courtesy of Sturgeon Mill)

Great for geezers and wee ones both, one can watch live blacksmiths shaping white hot steel, see the sawyer "ride" the huge circular blade through the enormous logs. Stroll the historic garden and museum of artifacts, go under the mill to see the workings, and check out the old toolhouses and the paycheck office. Fresh, reasonably priced lunch is available near the large picnic area, and sometimes you'll catch a draft horse demo while you eat. Admission is free (donations welcome). Being a popular destination for car clubs and motorcycle rides often makes the parking lot part of the show. Just be sure and spare your dog the startling loud steam whistles and leave it home – really. No Fidos allowed.

The Mill is only open 4 weekends a year plus a few school tour only days. May 6-7th is the opener, followed by June 17-18th, Sept. 16-17th and Oct. 14-15th.
