Directors Message

June 1st - Halfway thru 2017. Members have been busy - getting ready for the every weekend car show opportunities. As a result, may of us have gone in different directions because some have favorites and others wanting to try something new.

Fathers Day is just around the corner. Everyone who is going to Julliard Park...... is registered I'm sure. Should be a fun and relaxing day for all.

Be sure to consult your events calendar for events in July, August and September.

For the overnighter..... a few of us ventured to Fort Bragg and Mendocino..... turned out to have great weather, interesting lodging, a bit of culture - the play a bit on the riska' side - but interesting enough, and of course the shopping in Mendocino Shops are always great. Good food and good company always, a great way to spend time away from home.

MINUTES OF THE BUICK CLUB OF THE REDWOODS May 10th, 2017 MEETING

Director, April Kahnberg, called the meeting to order at 6:58 p.m.

Members in attendance were Don and Lois Brooner, Keith Brumbley, Bill and Joan Costello, Terry Eggleston, David Hoogendoorn, Rich and April Kahnberg, Ben Karnes, Leo Ladner, Bill Marsh, Will Norton and Stan Sollid. All were welcomed.

A motion was passed to accept the minutes of the April meeting as published in the Nailhead News.

Rich gave the Treasurer's report. A deposit of \$38.00 was made last month which included \$18.00 from the raffle and \$20.00 for the sale of a sweatshirt. \$139.70 was paid to Terry for two years of website service.

Membership is down one with the recent passing of Kenny Silvestri. His name will remain on the roster without his address and phone number for the remainder of the year. "In memoriam May 3, 2017", will follow his name and BCA number. A donation to Hospice will be made in Kenny's name. Bill will inquire as to which Hospice was there for Kenny in his last weeks.

OLD BUSINESS

Terry gave a synopsis of the April cruise to Armstrong Woods.

April reminded members to brainstorm what event we would like to hold for our 20th anniversary coming up in the summer of 2018. Further discussion will take place at the next Planning Meeting.

NEW BUSINESS

Members recently received a Buick Bugle 2017 Membership Roster. April would like all members to refer to page 208 and read about Chapter responsibilities. She would also like members to read Article VII on page 213 regarding Chapters.

- Riviera Owners Association Annual Meet Boomtown Casino Hotel, Reno June 26-29, 2017
- 2017 BCA National Meet Brookfield Wisconsin July 5-8, 2017
- 2018 BCA National Meet Lone Tree Colorado (Denver area) June 19-23, 2018
- Petaluma's Salute to American Graffiti May 20th
- Mendocino Weekend Event May 19 21st
- Peggy Sue Car Show June 10th
- Juilliard Park Father's Day Show and Shine June 18th
- Gualala Car Show July 15th

Rich will send out an email asking which members will be attending the Juilliard Park Show and Shine. Due to extreme congestion at the staging area, it is difficult for all of us to enter the park together. Rich has obtained permission to arrive early and tape off an area large enough for the expected

number of cars. April, Rich and David will be arriving early. Let Rich know if anyone else would volunteer to arrive early.

April received information about legal assistance for taking care of traffic tickets online. Contact April for details.

Gene and Linda Perrin recommended a museum called Cobra Experience that they felt would be a fun place for the club to tour. Bill Costello offered to look into it and get back to members.

April recently toured the USS Iowa while on vacation in Southern California. Club members toured the Iowa several years ago while it was anchored in Port Richmond. April said it was a very interesting story about Victory, the ships mascot and encouraged members to read his story.

Leo reported there are no major events in the area on the day of the Sturgeon Lumber Mill tour in September. It was suggested to Leo to stop at Mom's Apple Pie in Sebastopol after the tour.

Bill Costello asked about interest in a Zip Line Poker Run as a club event. There was mixed interest. Bill will present more information at the next meeting.

Rich asked members about a donation to the Santa Rosa Junior College auto program. It was decided that since the school year is almost complete, we would reopen the idea in September. (In February of 2016, BCR presented Santa Rosa Junior College Auto Shop with a check to purchase two Snap-on Tool torque wrenches.)

The 50/50 raffle was won by Bill. The meeting was adjourned at 7:32 p.m.

Respectfully Submitted, Joan Costello Secretary

12TH ANNUAL SALUTE TO AMERICAN GRAFFITI

By Bill and Joan Costello

It was one of the biggest and best yet.

The day was bright and warm with lots of beautiful cars and friendly people.

Bill, Avis, Leo and Linda were parked together in a shady spot on Kentucky Street – your cars looked great! David, Lori and daughter didn't bring their car but came to enjoy it all.

Kenny was remembered with his car registration form and picture positioned on a chair – see picture below.

Former BCR members seen taking it all in were Mike Lightell, David Yoast and Rebecca Kisling. We saw Keith Friday night at the Cruise-In, but we looked and looked for him on Saturday but could not find him. So busy looking for Keith that we forgot to take a picture of our own car but you have all seen it before.

Since 2006, Petaluma's Salute to American Graffiti has invested over \$180,000 to the Petaluma Save a Life Foundation. It feels good to support such an organization.

A TRIP TO THE MENDOCINO COAST A BCR PREMIER EVENT

May 19-21, 2017 - Written by Terry Eggleston

On a rare overnight event, the Kahnbergs, Egglestons, and Bergmanns made a trip to Mendocino and Fort Bragg. Rich and April brought their '67 Riviera (Charlie), Terry and Michelle were in their '54 Century (Ruby), and Dave and Linda Bergmann met them in Fort Bragg at the end of a month-long road trip to the northern hinterlands.

The serenity of the sleepy village of Mendocino was shattered as over 600 horsepower of Buick muscle (most of it from Charlie) descended upon the town. To my mind, Mendocino looks like it was transported (ala Star Trek) from the New England coastline to its current position sometime in the nineteenth century. We had stopped in Cloverdale for breakfast (more on eating establishments later). In Cloverdale Rich informed me that I didn't have brake lights.....darn.....so he graciously drove behind me as a buffer against any CHP with a fix-it ticket waiting to be written....

We wondered the streets of Mendocino....April and Michelle on a shopping mission and Rich and Terry mostly wondering aimlessly.....sitting on benches outside the stores. Yeah, we're guys. Here are some pictures from Mendocino....one of my favorite places on the planet:

Michelle, Rich, April, Charlie, and Ruby

Early Porsche sighting. Year?

The bar in the Mendocino Hotel

Here are some pictures of water towers. I like water towers.

Now some pictures of flowers (more to come later).

I like flowers.

About the time that Rich and Terry had exhausted every bench in town, it was decided to head north to Ft. Bragg and our lodgings, where we linked up with Dave and Linda.

The **Grey Whale Inn** functioned as a hospital from 1915 to 1977, after which it was turned into a hotel....a unique place, with character, but short on amenities......

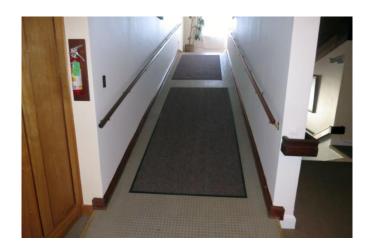

Our room, of course, was on the top floor. Two sets of stairs and three ramps to get up there:

These ramps are pretty steep....I couldn't help but picture what over fifty years of runaway gurneys and wheelchairs must've been like! Maybe they had races on Saturday nights?

The view looking west from our room. Did I mention that the weather was absolutely beautiful......it was great!

Ruby Posing

Saturday night was our cultural upgrade. This play, Or, was at the Mendocino Theater Company. Three actors, with two of them playing multiple roles. It was about Aphra Behn, a woman playwright in seventeenth century London. Yes, she really existed and wrote in a time that would've been difficult for her gender in that field. The male actor played King Charles II, William Scot, and a jailer. The other lady actress played three different characters. I enjoyed the quick switching of roles by the latter two.....didn't look easy at all.

I was entertained, Michelle thought it was 'hoakie' and the rest of our crew gave it generally mixed reviews. Still, an evening well spent.

Editorial note: It was fun, a bit explicit (colorful)....but then so are Sonoma State Graduate speeches these days.....)

Then it was back to Ft. Bragg...Michelle and I in Charlie (remember that Ruby didn't have brake lights) and Dave and Linda in their rental car to our destiny at the Grey Whale Inn.

Saturday's weather continued Friday's trend...and that worked out well because we visited the famous Botanical Gardens in Ft. Bragg. This place is off the charts in the beauty department. Lots of trails that meander in out of several different gardens. We had picked this weekend because the Rhododendrons (cool people say Roadies) were in bloom...even though it conflicted with the American Graffiti weekend. I hope these photos give you some appreciation of this magical place.

April took this picture of Dave, Rich and Terry. She kept saying "move back, further back"! What was that about?

Linda, April and Michelle hiding in the Roadies

I said earlier that I would tell you about our culinary pursuits, so here goes....let me say all the restaurants were great.....I really enjoyed them, as did everyone else (I think).

Friday breakfast in Cloverdale at Savvy on First.

Saturday and Sunday lunches were at the Mendocino Hotel....I refer to the earlier picture of the bar area.

Friday dinner was at Trillium in Mendocino

Saturday dinner at Café Beaujolais in Mendocino

Saturday breakfast at Café 1 in Ft. Bragg

Eggs....Eggs.... who ordered Eggs.

Sunday breakfast was at Eggheads in Ft. Bragg. This place came complete with a loose chicken running around the place....also a couple of interesting characters.....I think the word for this experience would be 'colorful'!

Parting Shots.....

Ruby and Charlie from above. And, oh by the way....Ruby's license plate had fallen off! No brake lights and no license... still made it home OK.....

Cathedral Plants
(Lechium wildpretil...for the curious)

The beautiful weather of Friday and Saturday gave way to this view to the west on Sunday morning....time to head home!

FRED'S ALL AMERICAN CAR SHOW STOKES RANCH

Contributed by Terry Eggleston

On Saturday, May 13th, Terry Eggleston and Stan Sollid were at **Fred's Car Show** at the world famous 'Fred's place' on Old Redwood Highway in north Santa Rosa. We were there primarily as Chevy Club members...here's a few pictures from the day. Good weather and nice cars!
