

December 2014

Happy Holidays

Thank you to all the club members who joined us for our December meeting to support the election of new officers for the new year to the Buick Club of the Redwoods. It was a enthusiastic group and we worked thru some urgent tasks to keep the club on track.

As the newly elected Director, I look forward to the opportunity to work with everyone in the club to make this an eventful year. Going to car events that we have in the past as well as taking on new adventures and other car shows that just might help widen our horizons and spread Buick enthusiasm to folks outside of Sonoma county by showing off our cars and sharing a bit of history with our new found friends.

As the new year unfolds I look to each of our club members participation and event suggestions to keep us all on our toes for the next adventure. There are many car shows we have not done as a club, but many members have done independently, that may just be the a fun event to share. Add them to the Events Brain storming sheet and lets work as a group to make them happen.

In closing, I welcome our supporting officers to their new positions as well as, the re-elected treasurer and webmaster; to have fun with our new responsibilities and enjoy the tasks.
